

M.R. Hilbert provides National Electrical Code® and electrical safety training solutions in the form of open registration or custom, “on site” seminars. M.R. Hilbert is a multi-state provider and is approved for National Electrical Code continuing education for license renewal in the States of Maine, Massachusetts, New Hampshire and Vermont. We are offering a wide variety of National Electrical Code training, professional development seminars, electrical safety training and program development and electrical inspection and plan review services for individuals, companies, corporations or municipalities locally and nationwide. **Please check our website for additional information.**

15-Hour 2014 NEC Update Seminars

This seminar includes a Power Point program of the *Analysis of the Changes, 2014 NEC*, by the International Association of Electrical Inspectors enhanced with additional changes, illustrations, pictures and animated slides prepared by M.R. Hilbert. Each participant will receive a copy of the IAEL’s *Analysis of Changes*. This workbook is a great source for an in-depth look at the changes and for future reference. **All NEC seminars require a Code book so please bring your 2014 NEC with you!**

6-Hour Massachusetts Professional Development Seminar - Generator Installations (May 17, 2014)

2 hours of 2014 MEC (MA Electric Code) changes will be provided as part of the MA 6-hr professional development seminars. Workbooks and a copy of the MEC amendments are included.

Registration begins at 7:15 AM (**must present all electrical licenses & a photo ID**). All classes start promptly at 8:00 AM. 6-hour seminars end at 3:30 PM and 15-hour seminars end at 5 PM. **Instructors:** Mark R. Hilbert & Bill Benard (*instructor may change due to scheduling*)
